Construction & Block Making Machinery

High-capacity equipment for primary contractors, commercial developers and municipal infrastructure projects.

Contact us now: +254 707156107 · All prices in KES

PRODUCT	DESCRIPTION	PRICE (KES)
Concrete Pump Machine	Heavy-duty commercial concrete pouring and elevated structural casting.	**6,500,000**
Automatic Block Making Machine	High-yield commercial block production, automated compression systems.	**1,400,000**
Automatic Block Making Machine (Plant Scale)	Fully automated, high-yield production line for major contractors and permanent commercial concrete yards, reducing labour costs and standardizing output.	**4,500,000**
QTJ4-40 Paving Block Making Machine (Semi-Automatic)	Hydraulic systems with automatic vibration and pressing for rapid production of hollow blocks, solid blocks and cabro pavers.	**1,500,000**
Cabro Making Machine	Commercial-grade production of interlocking paving blocks for urban landscaping.	**1,400,000**
Hollow Block Machine	Three heavy-duty vibrator motors and a JZQ350 reducer; produces hollow, solid and interlocking pavers.	**1,400,000**
LED Street Light Poles	Galvanized infrastructure lighting poles, defect-tested for municipal deployment.	**450,000**
Heavy Duty Pan Mixer Machine	Heavy-duty rotating pan and mixing blades uniformly combine cement, water and aggregates before feeding block makers.	**450,000**
Color Pan Mixer	Blends pigments for coloured paving blocks, ensuring uniform colour distribution throughout each batch.	**220,000**

Construction & Block Making Machinery

High-capacity equipment for primary contractors, commercial developers and municipal infrastructure projects.

PRODUCT	DESCRIPTION	PRICE (KES)
Concrete Iron Oxide Mixer	Mixes iron oxide pigments without clumping for architectural precast and coloured cabro production.	**210,000**
Small Egg-Laying Block Machine	Mobile on-site unit lays blocks directly onto a concrete slab, producing 1,000–2,500 pieces daily without wooden or steel pallets.	**300,000**
Stone Cutting Machine	Low power consumption, customized stone processing for masonry.	**300,000**
Pan Mixer Machine	Environmentally friendly concrete and aggregate mixing via clockwise gear motor.	**250,000**
Reversible Plate Compactor	Deep soil and aggregate compaction for foundation work.	**235,000**
Vibrating Table Machine	Settles concrete in fencing post and paving slab moulds, releasing air pockets to prevent honeycombing and improve structural density.	**220,000**
Manual Cabro Making Machine	Low-capital entry point for rural contractors and estate developers producing local paving blocks.	**180,000**
Tapping Rammer	Trench and foundation soil compaction in narrow parameters.	**160,000**
Block Master Machine	Mid-tier, high-efficiency concrete block manufacturing.	**95,000**

Construction & Block Making Machinery

High-capacity equipment for primary contractors, commercial developers and municipal infrastructure projects.

PRODUCT	DESCRIPTION	PRICE (KES)
Wide Brick Interlocking Machine	Interlocking bricks from soil, cement, sand and aggregate.	**93,000 – 95,000**
Interlocking Brick Machine	High-compaction brick molding operable by two personnel.	**85,000 – 88,000**
Standard Non-Interlocking Brick Machine	Traditional brick forming for standard masonry.	**85,000**
ACE Cabro Cutter Machine	Precision cutting and shaping for paving blocks.	**68,000**
Masalta Cabro Cutter Machine	Alternative brand paving block cutter for site customization.	**65,000**
Cabro Cutter Machine	Cuts compacted paving blocks to precise shapes for edge fitting and intricate driveway patterns.	**55,000**
Concrete Vibrator Poker	Deep concrete vibration for structural integrity in columns and beams.	**50,000**
Concrete Pan Mixer Machine	Rotating steel pan and blades for uniform concrete mixing ahead of block and paver production.	**380,000**
Solid Block Making Machine	Hydraulic pressing and vibration for high-volume solid concrete block production.	**1,400,000**

Construction & Block Making Machinery

High-capacity equipment for primary contractors, commercial developers and municipal infrastructure projects.

PRODUCT	DESCRIPTION	PRICE (KES)
Terrazzo Grinding Machine	Walk-behind grinder for levelling and polishing terrazzo and concrete floors.	**125,000**
Honda Plate Compactor	Petrol-powered plate compactor for soil, aggregate and paving-block bedding.	**125,000**

Electrical Motors & Power Transmission

Components vital to the continuous operation of heavy machinery — for engineers, plants and repair specialists.

Contact us now: +254 707156107 · All prices in KES

PRODUCT	DESCRIPTION	PRICE (KES)
10hp Geared Motor	Heavy industrial power transmission and torque delivery.	**230,000**
JZQ350 Gearbox	Mechanical reduction and lifting systems for heavy block machines.	**230,000**
7.5KW Geared Motor	High-torque industrial applications and conveyor systems.	**180,000**
7.5hp Geared Motor	High-torque mechanical drives.	**170,000**
5hp Geared Motor	Mid-range mechanical drives and aggregate sorting.	**160,000**
3hp Geared Motor	Light-to-medium industrial power transmission.	**125,000**
2.2kw Geared Motor	Standard industrial transmission.	**115,000**
1.5kw Geared Motor	Light mechanical power.	**78,000**
3hp Single Phase Vibrating Motor	Machinery vibration induction for material settling.	**35,000**

Electrical Motors & Power Transmission

Components vital to the continuous operation of heavy machinery — for engineers, plants and repair specialists.

PRODUCT	DESCRIPTION	PRICE (KES)
3hp Three Phase Vibrating Motor	Commercial 3-phase vibration for heavy duty cycles.	**35,000**
2hp Single Phase Vibrating Motor	Standard equipment vibration and compaction.	**25,000**
1hp Vibrating Motor	Light equipment vibration.	**16,000**
0.55kw Vibrating Motor	Minimal footprint vibration.	**14,000**
0.25kw Vibrating Motor	Micro-vibration for fine material sorting.	**12,000**
Heavy Duty Pan Mixer Gearbox	Replacement reduction gearbox for heavy-duty pan mixers under continuous load.	**170,000**
Pan Mixer Gearbox	Vertical-shaft drive gearbox for standard pan mixers.	**170,000**
Durable Pan Mixer Gearbox	Budget-friendly replacement gearbox for standard pan mixers in regular-duty use.	**80,000**
Worm Gearbox Reducer	Compact right-angle speed reducer for conveyors and light machinery drives.	**28,000**

Electrical Motors & Power Transmission

Components vital to the continuous operation of heavy machinery — for engineers, plants and repair specialists.

PRODUCT	DESCRIPTION	PRICE (KES)
Block Machine Vibrator	Vibration motor that compacts concrete in block machine moulds.	**45,000**
Vibrating Table Motor	External vibration motor for vibrating tables and mould settling.	**45,000**
3kw Three Phase Vibrating Motor	Heavy-duty 3kw three-phase vibration for industrial block and paver plants.	**55,000**
Honda Gasoline Engine	Four-stroke petrol engine for compactors, pumps and site machinery.	**50,000**
JD Diesel Engine	Air-cooled single-cylinder diesel engine for off-grid machinery power.	**39,000**
Gasoline Water Pump	Portable petrol water pump for site dewatering, curing and water transfer.	**38,000**

Molding Equipment & Accessories

High-volume molds and consumables for masons, small manufacturers and landscape contractors. Precision dictates structural viability.

Contact us now: +254 707156107 · All prices in KES

PRODUCT	DESCRIPTION	PRICE (KES)
Conveyor Belts	Bulk material handling and aggregate transport.	**75,000**
Culverts Molds	Outer culvert, base ring and inner culvert for water management.	**40,000**
Roman Pillar Column Moulds	Produces 3-meter tall structural or decorative columns.	**150,000**
Heavy Duty Culvert Moulds	Upgraded heavy-duty culvert forms for highway drainage.	**45,000**
Double Hollow Block Moulds	Dual hollow block casting for precast masonry production.	**24,500**
Flower Pots Moulds	Fixed base and inner tanks for landscape architecture planters.	**22,000**
Hollow Block Slab Moulds	Precast moulds for hollow block slab production.	**14,500**
Strapping Machine	Material packaging and securing for transport.	**25,000**
Double Solid Block Moulds	Dual block formation for rapid masonry scaling.	**18,000**

Molding Equipment & Accessories

High-volume molds and consumables for masons, small manufacturers and landscape contractors. Precision dictates structural viability.

Contact us now: +254 707156107 · All prices in KES

PRODUCT	DESCRIPTION	PRICE (KES)
Fencing Post Moulds	Standard concrete fencing pillar formation.	**13,500**
Fencing Supporter Moulds	Concrete support forms for fencing installations.	**12,500**
Inverted Block Drainage Moulds	Permeable block forms with built-in water flow systems.	**8,500**
Chimney Cover Moulds	Roof ventilation and exhaust finishing structures.	**12,500**
Fencing Post Mold (Standard)	Basic concrete post formation.	**12,500**
Strapping Clips	Securing straps for material transport.	**10,000**
Concrete Hardener (20L)	Reacts with free lime to reduce dusting and improve abrasion resistance.	**8,000**
Grill Ventilation Mold	Custom fiber/plastic/metal air ventilation structures.	**7,500**
Solid Block Molds	Foundation and structural wall block casting.	**7,500**

Molding Equipment & Accessories

High-volume molds and consumables for masons, small manufacturers and landscape contractors. Precision dictates structural viability.

PRODUCT	DESCRIPTION	PRICE (KES)
Cabro Moulds	Paver casting structures.	**7,500**
Balustrade Copping Mould	Decorative railing capping components.	**6,500**
Plastic Balustrade Moulds	Reusable plastic forms for decorative staircase and balcony barriers.	**6,800**
Fiberglass Balustrade Moulds	Specialized fiberglass forms for decorative balustrades.	**6,300**
Pillar Coping Moulds	Architectural capping for boundary wall pillars.	**6,500**
Plastic Ventilation Moulds	Plastic casting forms for precise ducts and airflow grilles.	**6,500**
Plastic Cabro Moulds (Arrow)	Price per mould. Durable, reusable Arrow-profile plastic forms for custom landscaping.	**800**
Plastic Cabro Moulds (Star)	Price per mould. Durable, reusable Star-profile plastic forms for custom landscaping.	**800**
Plastic Cabro Moulds (Zigzag)	Price per mould. Durable, reusable Zigzag-profile plastic forms for custom landscaping.	**800**

Molding Equipment & Accessories

PRODUCT	DESCRIPTION	PRICE (KES)
Plastic Cabro Moulds (Trihex)	Price per mould. Durable, reusable Trihex-profile plastic forms for custom landscaping.	**800**
Drainage Mold	Water management concrete forming.	**6,500**
Paving Slabs Molds	Pathway and landscaping slab formation.	**5,500**
Concrete Cube Test Mold	Material strength testing and compliance verification.	**5,500**
Plastic Cube Test Moulds	Price per mould. Lightweight, reusable plastic moulds for casting concrete test cubes for compressive strength testing.	**2,500**
Road Kerbs Moulds	Highway and street border forming, resistant to wear and tear.	**4,500**
Balustrade Spindle	Decorative pillar molding.	**4,500**
Road Channel Moulds	Manufactured to a ±1mm tolerance to eliminate creep during laying.	**3,500**
Wall Coping Moulds	Clean architectural capping for boundary walls and weather protection.	**3,500**

Molding Equipment & Accessories

High-volume molds and consumables for masons, small manufacturers and landscape contractors. Precision dictates structural viability.

PRODUCT	DESCRIPTION	PRICE (KES)
Hollow Block Moulds	Steel moulds with removable cores for casting hollow concrete blocks.	**13,500**
Louver Block Moulds	Forms for slatted louver blocks that ventilate walls while blocking rain.	**8,500**
Shallow Drain Moulds	Forms for shallow U-channel concrete drains along paths and compounds.	**6,500**
Side Slab Moulds	Flat moulds for precast side slabs used on drains and walkways.	**3,500**
Wall Ventilation Moulds	Decorative lattice moulds for concrete wall ventilation blocks.	**4,200**
Rubber Cabro Moulds	Price per mould. Flexible, long-lasting rubber forms for casting interlocking paving blocks.	**2,300**
Dragon Fruit Ring Moulds	Forms for concrete rings that top dragon fruit support posts.	**15,000**

Industrial Chemicals & Additives

Surface treatments and pigments for concrete finishing, waterproofing and architectural precast production.

Contact us now: +254 707156107 · All prices in KES

PRODUCT	DESCRIPTION	PRICE (KES)
Floor Polish Chemicals	Sealing and polishing treatments for finished concrete floors.	**20,000**
Concrete Hardener	Surface-applied chemical treatment that increases concrete wear resistance and lifespan.	**12,500**
Waterproof Chemicals	Hydrophobic treatments to prevent structural water damage in masonry.	**12,000**
Concrete Iron Oxides	Red, yellow, brown and black pigments for architectural cabro blocks.	**10,000**
